

Welcome to Amis St. Barth

Led by master French Chef Vincent Gomis and Sous-Chef Marie Cécile Gomis, his wife, Amis' menu infuses the flavors of the Mediterranean with fresh local ingredients.

Overlooking the bay of Grand Cul-de-Sac, Amis St. Barth lives up to its promise of a memorable culinary voyage. At lunch Amis will bring the delights of our Chef's creativity straight to your beach chair, feet in the sand. On weekends, enjoy a lively meal with our in-house DJ.

In the most stylish yet comfortable oceanfront setting, Amis St. Barth at dinner is perfect for group gatherings, private dinners and romantic evenings alike. Amis exemplifies our core philosophy of Couture Hospitality, offering personalized, unhurried service and featuring live music *de Shamans* and special Experience Tables for a tailor-made evening.

French Touch

At the bar and during dinner, discover our exclusive selection of Champagne. Our very own House Champagne Leclerc Briant has been awarded "Brand of the Year 2022" by La Revue du Vin de France. Savor the French touch by ending your dinner with a delicious cheese platter, accompanied by a Grand cru by the glass.
